Economic Development Forum**

**Thursday, June 25, 2009**  
**Missouri History Museum**  
**Des Lee Auditorium**  
**8 to 10 a.m.**

Hear about the major development that has occurred around the Portland Streetcar from the person who did it, John Carroll, at this complimentary forum. What is the potential for further development in The Loop? Find out what Joe Edwards has on the drawing board for one of America's ten best streets.

Carroll Investments successfully develops and manages mixed use projects from historic renovation to new construction – and many were built along Portland's streetcar route. He has served on the Board of Directors for the Portland Streetcar Company. This event is for St. Louis citizens, developers, elected officials and anyone interested in using streetcars and transit as catalysts for development in the region.

**PLEASE RSVP by June 19, 2009 to**
